Federal government requirements for classes. Members are sick of 16-18 hr classes

Our checking account looks pretty decent, but due to the fact that we put about \$25.00 per department into the fund for the Haz Mat trailers, that's why the balance is looking good.

Elections were held. All positions stayed the same.

Next meeting will be held January 19 in Brainerd. Upcoming meetings in May, September, and November in Milan, Minneota, and Montevideo, respectively.
