

DEPARTMENT QUESTIONNAIRE

Please complete by March 1, 2020

Purpose:

The MSFCA and MSFDA recognize that fire departments across the state are experiencing a variety of challenges. This questionnaire is intended to assist MSFCA and MSFDA leadership in collecting data pertaining to the day-to-day operations of fire departments from all regions in the state. The information will be used by the Associations in developing strategies and opportunities to assist fire departments (including developing legislative priorities).

Departments are encouraged to submit one survey; providing as much detailed information as possible is very much appreciated.

Submittal:

Submitting via online is preferred although the form can be completed by hand and submitted to either the MSFCA or MSFDA office.

Confidentiality Statement

We recognize the sensitivity surrounding this topic. Individual data will not be shared publicly.
